THE NAMASKAR MANTRA

The Namaskar Mantra, also called the Navkar Mantra, is the most important mantra in Jainism and can be recited at any time. While reciting the Navkar Mantra, we are bowing down with respect to Arihantas (souls who have reached the state of non-attachment towards worldly process), Siddhas (liberated souls), Āchāryās (heads of sadhus and sadhvis), Upādhyāyas (those who teach scriptures to sadhus and sadhvis), Sādhus (monks, who have voluntarily given up social, economical and family relationships) and Sādhvis (nuns, who have voluntarily given up social, economical and family relationships). Collectively, they are called Panch Parmesthi (five supreme spiritual people). In this mantra we worship their virtues. When we recite Navkar Mantra it reminds us that we need to be like them.

At the 21st Mahaveer Awards Presentation Function on
2nd December 2018

Jai Jinendra

On behalf of the Bhagwan Mahaveer Foundation, I extend a warm welcome to one and all present here.

Today is a very special day for us. We have gathered here to honour the selfless services rendered by one individual and two institutions who do noble services for the welfare of the weak and needy. They exemplify what Mahatma Gandhi said: "The best way to find yourself is to lose yourself in the service of others."

It is our privilege to have our honourable Vice President of India, Shri M Venkaiah Naidu Ji to present the Mahaveer Awards to these altruistic people who have worked for others. Sir, we are indeed honoured and privileged and extremely happy to have you as our Chief Guest today. On behalf of Bhagwan Mahaveer Foundation, I extend a very warm welcome to you Sir.

Although, our Vice President needs no introduction, may I have the honour to say a few words about him.

Respectable Shri Venkaiah Naidu Ji was born on 1st July 1949 at Chavatapalem, in the Nellore district of Andhra Pradesh.

Both as a student leader and political figure, he gained prominence as a brilliant orator. Venkaiah ji is a great personality with self discipline, great oratory and debating skills. He expresses his ideas, vision and beliefs with clarity which connects him with the audience.

His public life started at a very young age. Shri Venkaiah ji is also involved with the Swarna Bharat Trust, a social service organization founded by him in Nellore.

The trust runs a school for poor, orphaned and special-needs children. It also imparts self-employment/ entrepreneurial training programs, especially for women and youth.

Our Vice President has always provided valuable inputs for the development of villages and the welfare of the poor and farmers. He envisaged the Pradhan Mantri Gram Sadak Yojana. He was the Union Cabinet Minister for Rural Development. He served in various organisational posts of the BJP at the State and National level. He was a member of the Rajya Sabha from Karnataka and the National President of the Bharatiya Janata Party. He became the 15th Vice President of India in August 2017.

I once again welcome you Sir and thank you for having consented to honour the awardees and present the 21st Mahaveer Awards

It is my pleasure to welcome His Excellency, the Governor of Tamil Nadu, Shri Banwarilal Purohit, who has kindly consented to be the Guest of Honour for this function.

As we all know, His Excellency has devoted his public life for the welfare of the people. Sir, thank you for accepting our invitation and we seek your continued support and guidance.

I have pleasure in welcoming Shri T S Krishnamurthy, Former Chief Election Commissioner of India and Member of Selection Jury, Mahaveer Awards. Sir, you are an inspiration to all of us in the Foundation. We thank you for presiding over the function.

I welcome the Selection Jury members and Short Listing Committee members and thank them for giving their time and effort to the Foundation. We are fortunate and privileged to have such eminent persons in our Selection Jury and Shortlisting Committee.

I welcome the awardees, Dr. Shiranee Pereira, Co-Founder, People for Animals, Chennai, Shri P.C. Parakh, Chairman of Bhagwan Mahavir Jain Relief Foundation Trust, Hyderabad and Shri Indramani Singh, Founder, General Secretary of Rural Health Organization, Imphal.

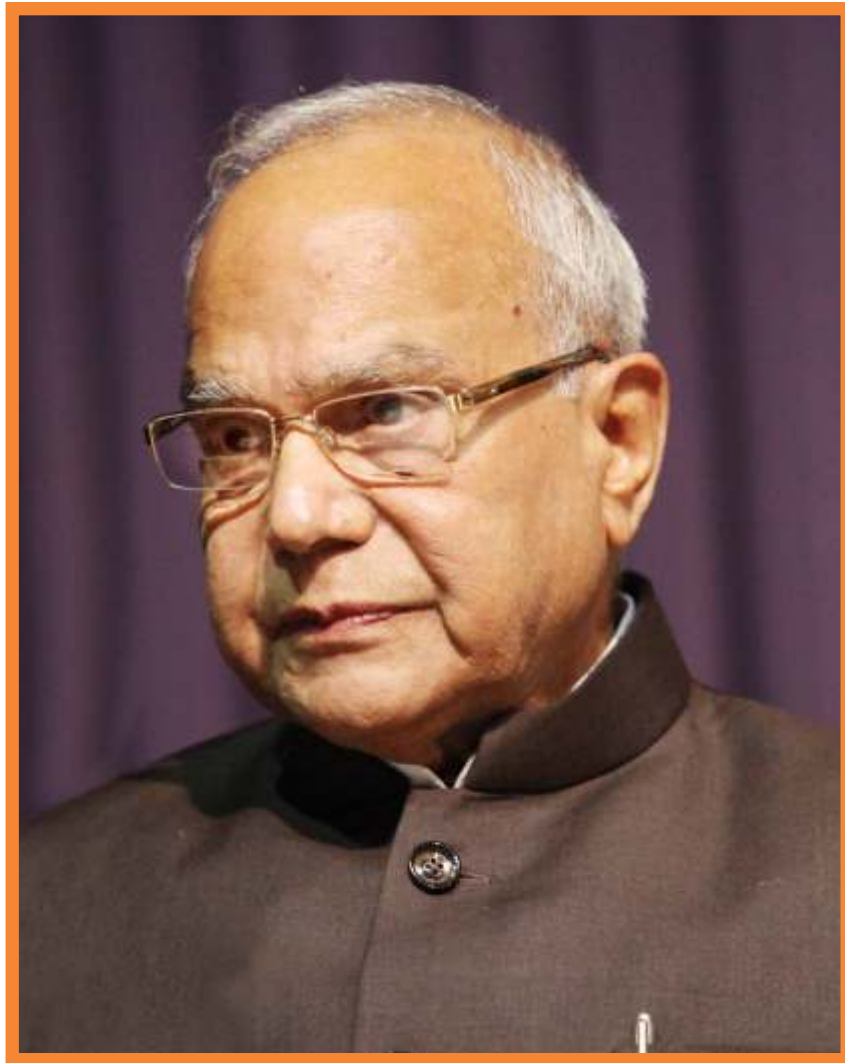

I extend a warm welcome to all the distinguished guests, dignitaries, invitees and the members of the media.

Before I end, I wish to mention with deep sadness, the passing away of one of our senior Trustees, Shri G. N. Damani on 23rd September 2018. His involvement and wise guidance to the Foundation will always be remembered with fondness and gratitude.

I once again warmly welcome one and all present here. Thank you!

REPORT ON THE ACTIVITIES OF BHAGWAN MAHAVEER FOUNDATION

I have pleasure in presenting the activities of the Bhagwan Mahaveer Foundation. Today we have gathered here to present the 21st Mahaveer Awards under the aegis of the Bhagwan Mahaveer Foundation and honour the selfless services of the awardees.

I would like to briefly share the primary aim for establishing Bhagwan Mahaveer Foundation and the procedure of identifying the Awardees. There are individuals and institutions providing selfless services for the welfare of the needy.

Such altruistic persons and institutions should be identified, encouraged and honoured so that many others may also emulate them and help the underprivileged and the voiceless. With this in mind, Shri N.Sugalchand Jain founded the Bhagwan Mahaveer Foundation in 1994. The Foundation instituted the annual Mahaveer Awards to honour such individuals and institutions. Each award consists of a cash component of Rs.10 Lakh, a memento and a citation.

The awards are conferred to an individual or an institution for excellence in human endeavour in the following 4 fields:

Non-Violence & Vegetarianism
Education
Medicine
Community & Social Service

From this year, we have introduced one more category namely, Award for Women Social Entrepreneur/Achiever with Indian Values. This would take the number of awards from 4 to 5.

This award would be given to a woman

- ❖ Who promotes Indian values and traditions like care for the society and family, respect for the elders, and other similar values.
- ❖ Who has helped to uplift the society
- ❖ Who improves the quality of life of the many
- ❖ Who has excelled in endeavour in any non commercial field
- ❖ Who has been the role model in public life in the society.

I'm happy to announce that the cash component of Rs. 10 Lakh, which is by far one of the highest cash components given by an NGO, is completely exempted from Income Tax under Section 10 (17-A (1)), thereby facilitating the awardees to utilize the total award money for their noble cause.

I would like to share with you the procedure followed in selecting the awardees. The process begins with inviting the nominations from eminent personalities of

our Nation such as Governors, Chief Ministers, Ministers, Members of Parliament, elected representatives, senior bureaucrats, Vice Chancellors of Universities and the general public by publishing advertisements in newspapers and other digital platforms.

The nominations are short listed by the Short listing Committee. The short listed nominations are visited by the representatives of the Foundation to ascertain the necessary information for overall authenticity and the positive impact of the services rendered by the nominees.

Finally, the short listed nominations are placed before the Selection Jury, who evaluate and select the awardees. The Selection Jury is headed by Justice Shri. M N Venkatachaliah, Former Chief Justice of India.

The following eminent persons are the Jury members:

I also wish to inform this august gathering that the
Bhagwan Mahaveer Foundation has instituted the

and English for school and college students in
Tamil Nadu. The aim is to acquaint the young
people with the Universal Message of Peace &
Harmonious co-existence preached by Bhagwan
Mahaveer, the 24th Tirthankara, who lived 2600
years ago, and highlight the relevance of the
teachings of Bhagwan Mahaveer in the
contemporary world.

This competition was started in the academic year
2015-16 and held every year. The response of

very encouraging. Four Essay competitions have
